
Computational Science Research Center & ACSESS

(Applied Computational Science and Engineering Student Support)

Carlos Bazan, PhD

Computational Science Research Center
San Diego State University

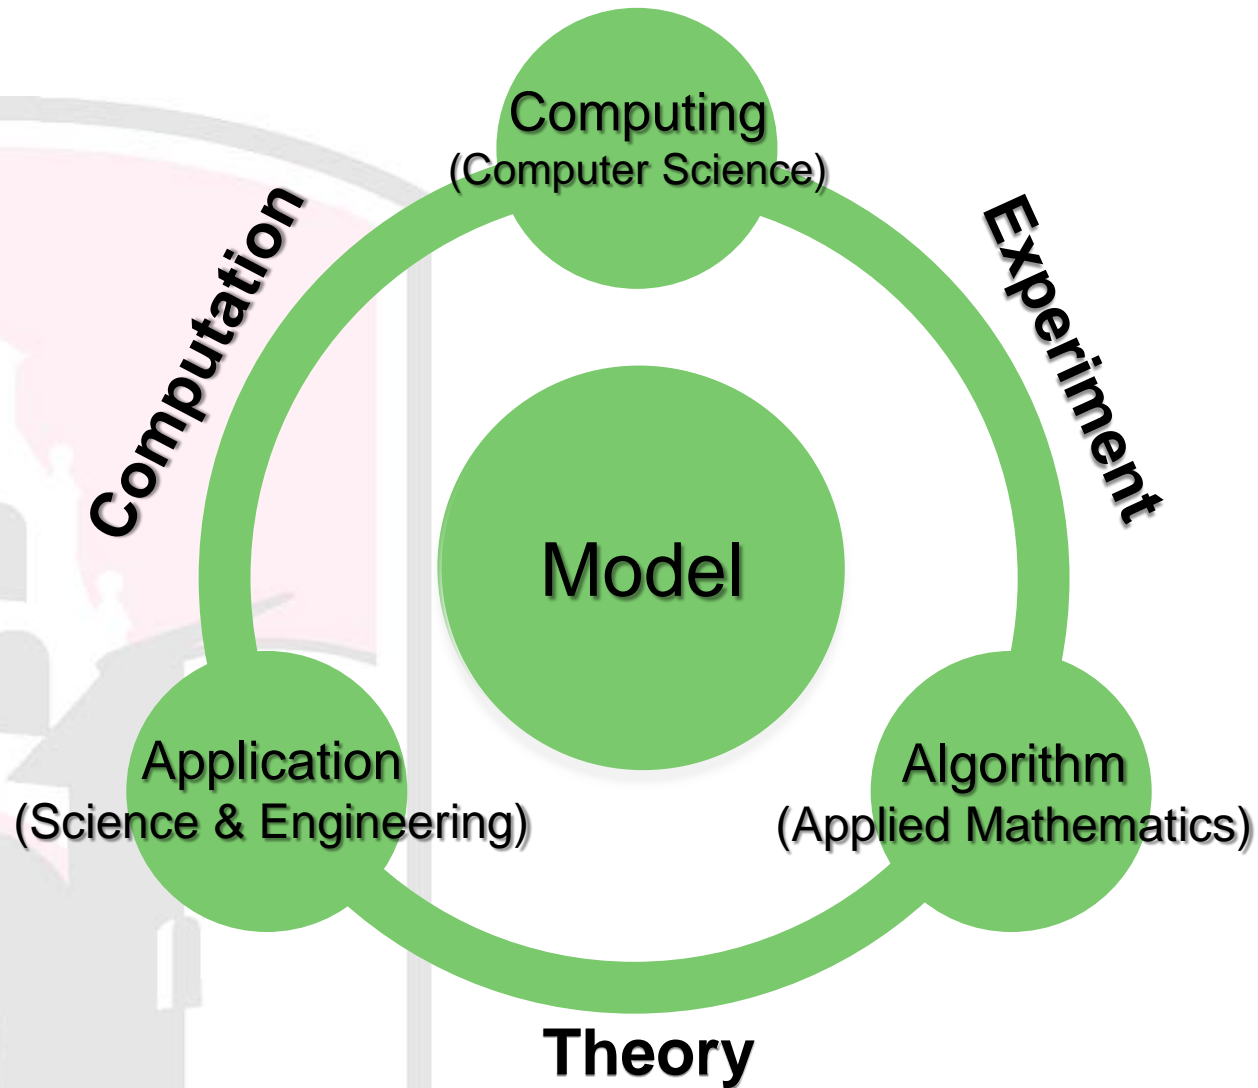

SAN DIEGO STATE
UNIVERSITY

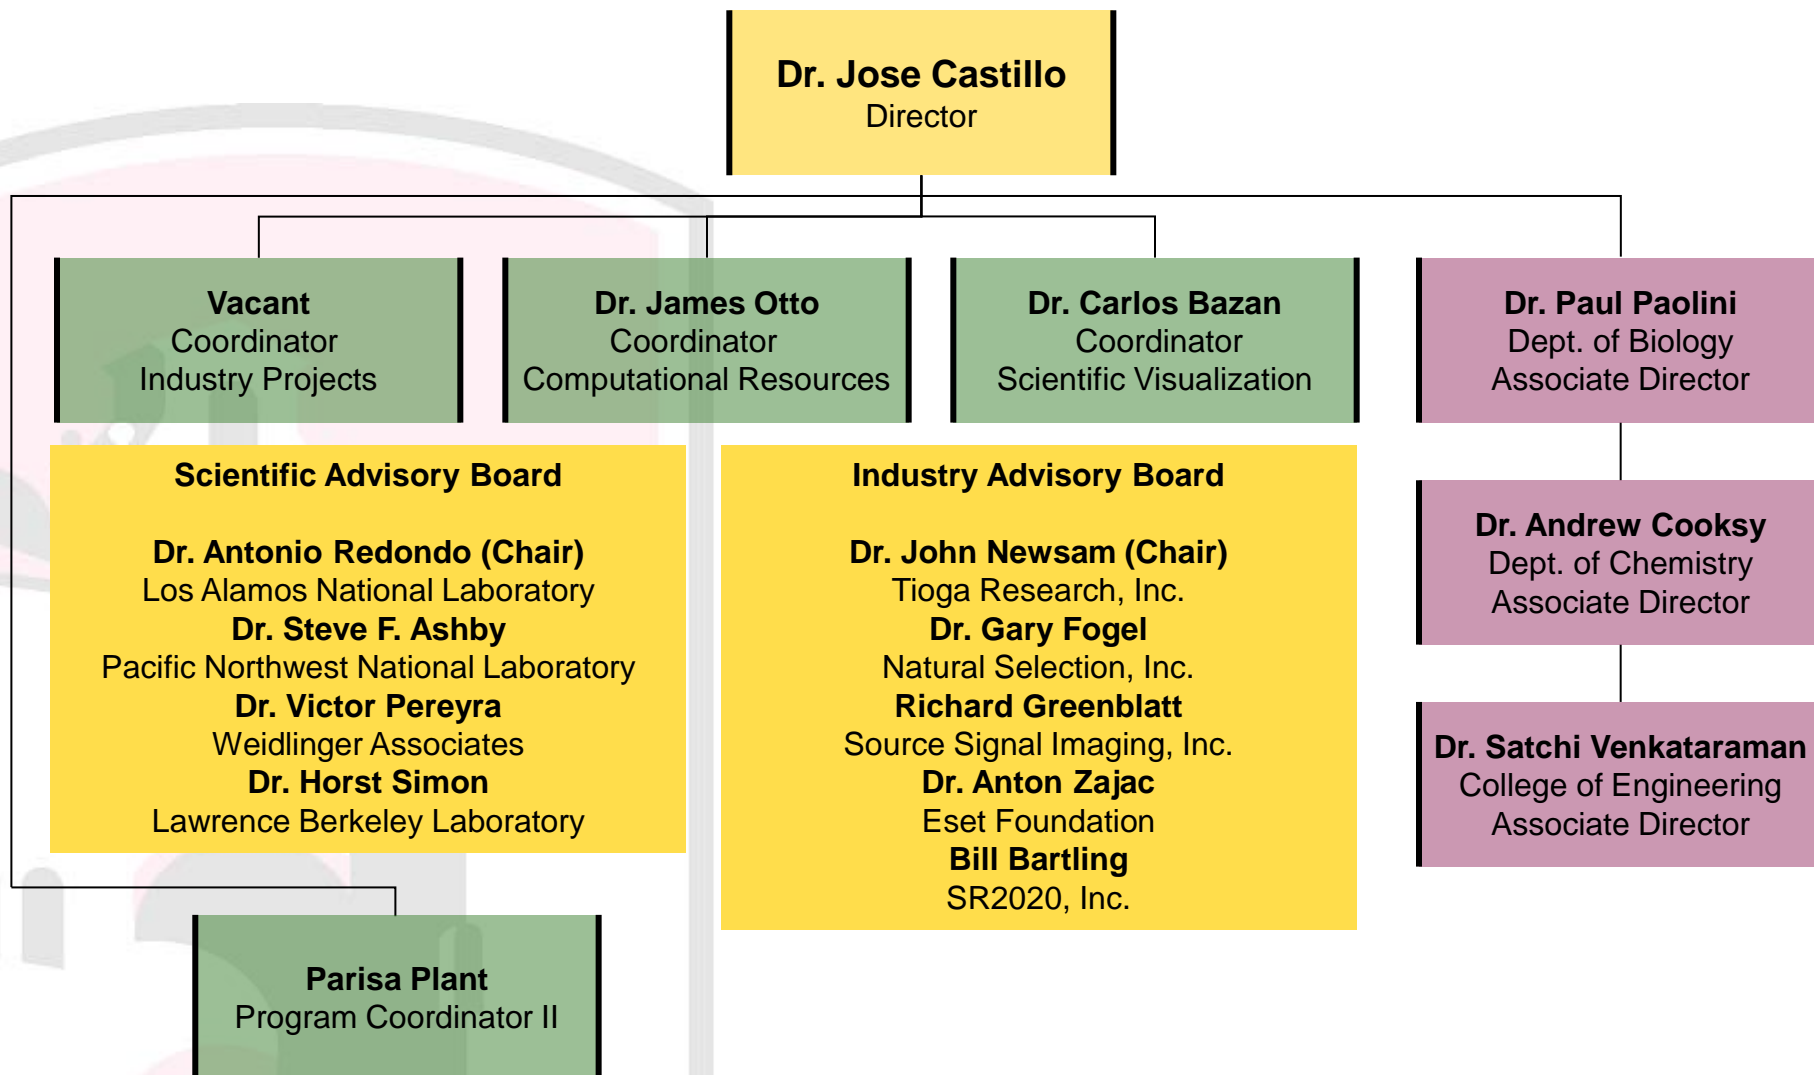

Agenda

- Computational Science Paradigm
- Computational Science Research Center
- Associated Faculty
- Discovery Team
- Summary

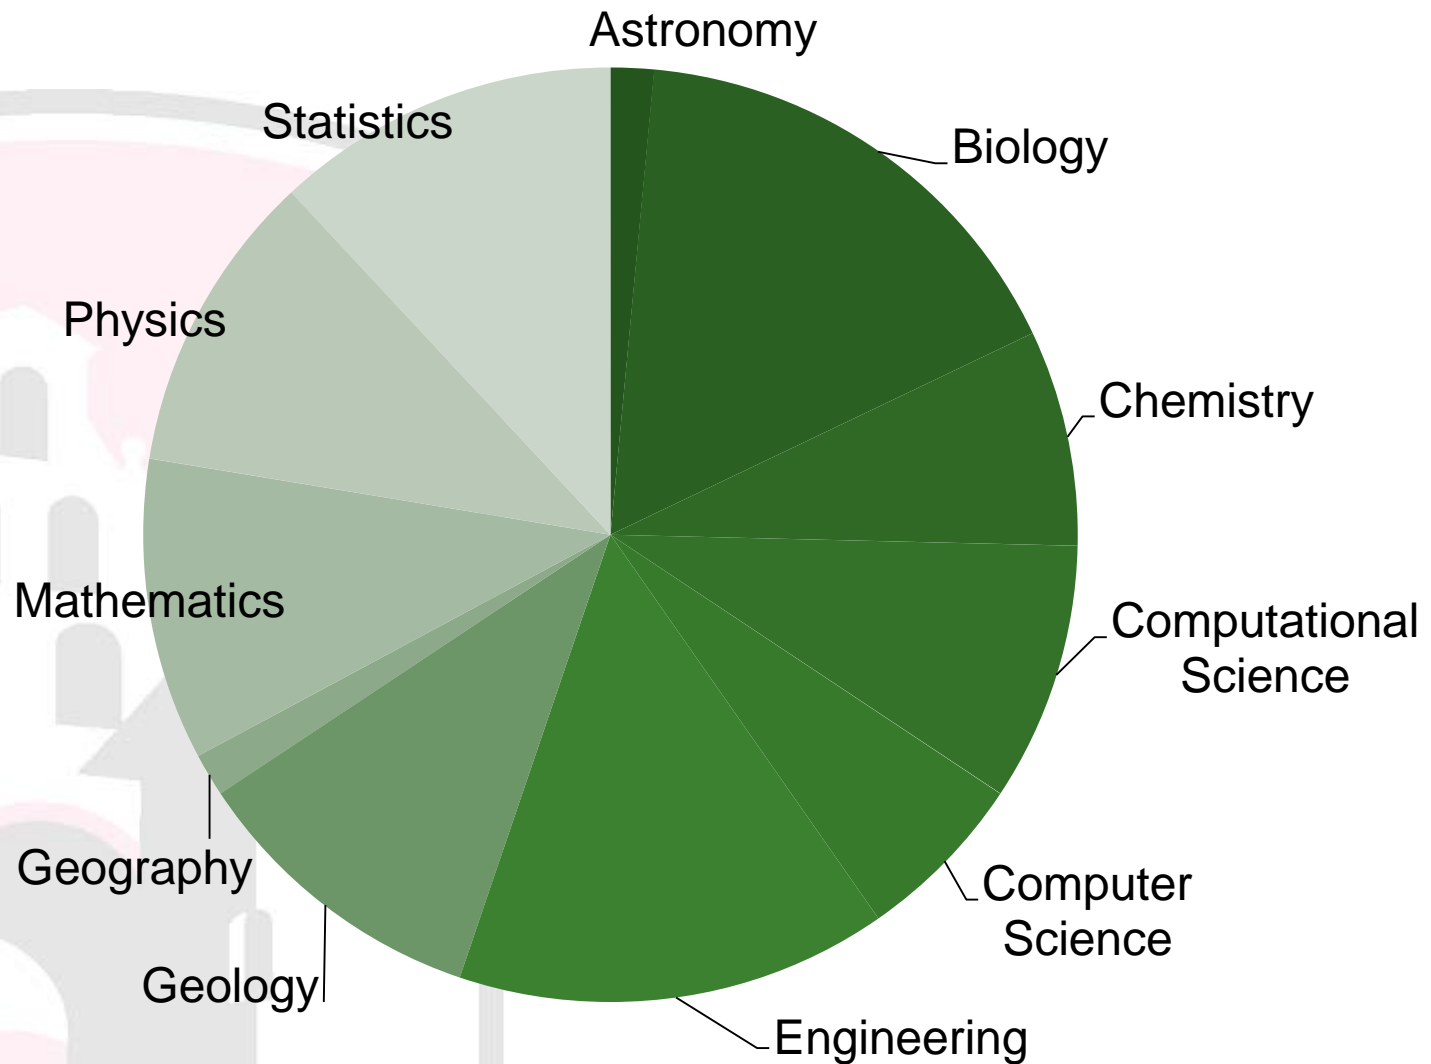

Computational Science Paradigm

Computational Science Research Center

Associated (49) + Affiliated (18) Faculty

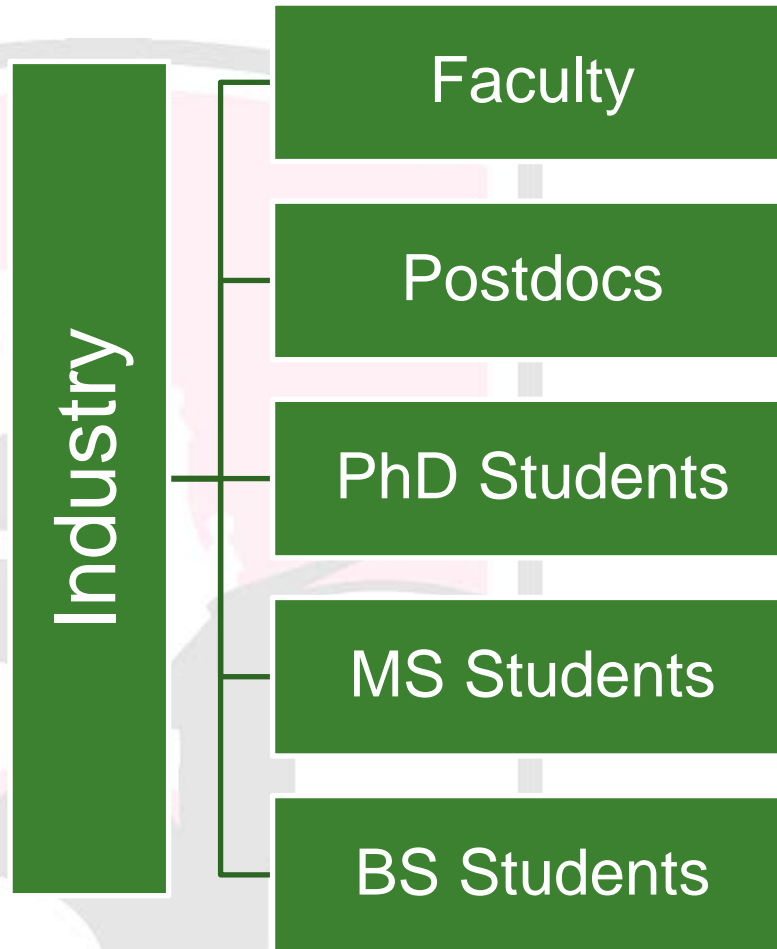

Industry Interaction Mechanisms

- COMP 670 Problems in Computational Science
- Applied Computational Science and Engineering Student Support (ACSESS)
- Cooperative Research and Development Agreement (CRADA)
- Professional Service Agreement (PSA)
- In house PSM

Discovery Team

Summary

- Industry and Academia collaboration
- Critical industrial problems
- Benefits for CSRC & students
