

Fourth ACSESS For Applied Computational Science and Engineering and Computational Science Curriculum Development Forum

Wednesday, March 7, 2007
12 noon – 5 pm
SDSU Montezuma Hall

Program

12:00 pm		Registration/Buffer Lunch
1:00 pm	Stanley Maloy , Dean College of Sciences, SDSU	Welcome/Opening Remarks
1:10 pm	Jose E. Castillo , Director Computational Science Research Center, SDSU	Computational Science at SDSU and ACSESS Program
1:20 pm	Victor Pereyra , Chair, CSRC Scientific Advisory Board Weidlinger Associates Inc., ACSESS Partner	<i>A case study on the current success and needed enhancements to the ACSESS Program</i>
1:30 pm		Coffee Break
1:40 pm	Moderator: Gordon Brown CSRC Industry Outreach Coordinator	Panel of Industry/Academia Representatives: <i>"Meeting the Demands of a Dynamic Workplace"</i>
		Bill Bartling , President/CEO Aspectus Energy Consultants
		Stephen Chang , President/CEO MultiCell Technologies, Inc.
		Van Emden Henson , Acting Deputy Director Institute for Scientific Computing Research Lawrence Livermore National Laboratory
		Aram K. Kevorkian SPAWAR
		Robert Mellors , Staff Geoscientist Department of Geological Sciences, SDSU
		Carl Murphy , Vice President/CTO Accord Solutions Inc.
		Antonio Redondo , Division Leader Theoretical Biology and Biophysics Division Los Alamos National Laboratory, ACSESS Partner
3:00 pm		Poster Presentations/Reception
4:50 pm	Paul Paolini , Associate Director Computational Science Research Center, SDSU	Closing Remarks
5:00 pm		Adjournment
