

**COMPUTATIONAL SCIENCE RESEARCH CENTER**  
**College of Sciences / San Diego State University**  
**GMCS 206**  
**Directions to SDSU and Parking Instructions**

From Interstate 5 or 805 South:

- Take Interstate 8 East (to El Centro)
- Exit College Avenue South. Stay in the right lane as you exit.
- Go through the Traffic Light on the corner of College Avenue and Canyon Crest and get ready to turn Right and enter the building access road. The SDSU Parking Information Booth is located on the corner of College Avenue and Canyon Crest in the **CHEMICAL SCIENCES LABORATORY**. You can buy a parking permit there or they will tell you where to buy one.

- Cross College Avenue and park in Parking Structure 1. GMCS building connects through the 5<sup>th</sup> floor of the Chemical Sciences Laboratory.
- Please place the parking permit on your car dashboard, to be in clear view from outside your windshield.
- The Computational Science Research Center is located in GMCS 206. My office is 206E.

If you have any problems, please call the following number(s): 619-594-7205 or 619-594-3430. If you would like to look at an interactive map of the campus you can do so by visiting our website at <https://map.concept3d.com/?id=801#!ct/40419,40418,20161,15205>
